

PROCAL-TRACK

Job Pricing, Quotes &
Repair Reports

ProCal-Track :: Job Pricing

- ProCal-Track stores calibration costs as set during calibration using ProCal, or costs can be manually entered.
- Information entered into the parts used / service details tab can be used by Crystal Reports to produce quotes / estimates

The screenshot displays the 'Virtual Job Sheet' window for System ID ID00004. The job details include Job No. 6004, Instrument Transmille 2006A, and Certificate Add. Delta Calibration Services, 4 Calibration House. The 'Service Details' tab is active, showing a table of parts used and a summary of costs.

Code	Description	Quantity	Cost (Each)
	Oscilloscope Calibration Module	1	£ 2455
	Oscilloscope BNC Connector	1	£ 0.00
	Oscilloscope Connection Lead	1	£ 0.00
